Welcome Back

We're excited to be back to training and ready to make this another great season for the athletes! Please take note of the following updates:

Since 2010

In this issue

- Uniforms
- Training Gear
- Choreography
- Competitions
- Other Events

UNIFORMS

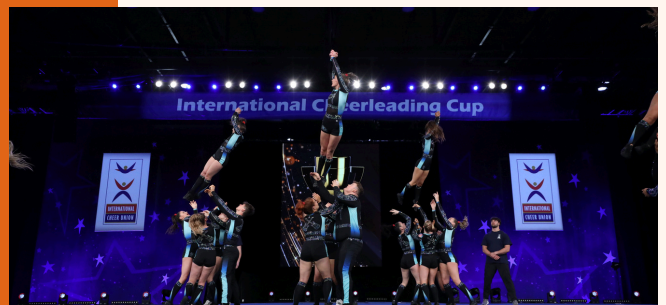

Uniforms are mandatory for all competition athletes. If you do not have one, you need to place an order before the end of September to ensure it arrives on time.

There are 3 teams getting new uniforms this season, so there are plenty of used options to purchase.

Gunz, Iron Ladies and Alliance will all change uniform this season.

TRAINING GEAR

This season training kits and tracksuits are mandatory for travel athletes and optional for all other teams. We will release an order form for training kits and measurement requirements. We are currently in the design process with our production team and will send all details including mock ups to you to order soon.

CHOREOGRAPHY

Choreography dates and times are now confirmed, but please double check as you will need to attend for the full session or both full sessions if your team requires a 2 day choreography session.

Choreography cannot be excused and if you are serious about your season, you won't risk your position for a party or another event that is not mandatory.

The cost of choreography is split among the full team and as such may be different costs for different sized teams. Choreo will be lead by Calvin or Kyle from Spirit Fx, or Hilton. You will find your details again on the final page. Please print it and put it up at home. Check out what to wear

RULES for Choreography

Attend your session **ON TIME**, and **FULLY PREPARED**

Double check start and end times and be patient if we run over time. The Americans can't fly back next weekend to fix something.

Ensure your athlete is practicing their choreo.

Wear **BLACK** t-shirt and shorts, and a bow of your choice and cheer trainers.

COMPETITIONS

It is your responsibility to double check your competition dates and ensure you are available at the time. These are non negotiable dates and you must be willing to plan your holidays and other events around these club events.

Full list on the next page.

For competitions, you must have at least one supporter attend where possible. These are important dates in the club calendar and although your athlete may tell you they don't need you there, they really do need your support and would love to show you what they are capable of. You don't need to stay all day, but it's important you show up for your kids!

FUNDRAISING

We are delighted to have a new fundraising Co Ordinator taking over our fundraising initiatives this season. Dawn will be so welcome in pushing to help the teams have the best season yet.

My name is Dawn, my daughter Shiona is on Guns n Roses, and also works with the club as a junior coach. I have been asked to develop & implement a fundraising strategy and plan for this season, and as I know first hand how expensive it can be to have a travel athlete in the house, I was happy to give my time & expertise to take on the role of volunteer fundraising coordinator for one year.

My main objective is to alleviate some of the travel costs to parents, associated with European and American competitions through a series of new & exciting fundraising initiatives throughout the year, I promise to do my utmost to achieve this for all of us.

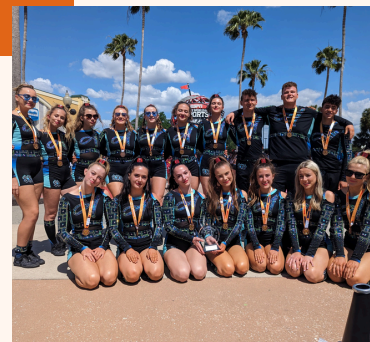

Developing a new strategy has meant making changes to the way the club & the individual teams currently conduct fundraising activities, policies & procedures. It also means creating more structure and having more resources & support available for anyone organising or helping out with fundraising events.

The cost of sending our competitive athletes to Europe & USA this season is in the region of €200,000, the end goal with this fundraising plan, if we all work together, is to have the cost per athlete reduced by 30%.

I'm super excited to meet you all and to show you how we, as ONE team, are going to put the FUN back into FUNdraising and smash our goals.

Thanks for taking the time to read this!

NEW STAFF 24/25

COACH LUKE

COACH TAYLOR

**SHARON
MEMBER SUCCESS**

Please join us in welcoming our new team members this season -

Coach Luke comes from Dublin and has spent 8 years coaching at Olympian Gymnastics. He will be working across all departments this season as a senior coach, and the birthday party coordinator!

Coach Taylor brings experience of coaching recreational gymnastics and over 10 years of cheer athlete experience to our cheerleading coaching team.

A new role in the club this season goes to the lovely **Sharon** who is the new club Member Success Leader and will be helping the staff get the absolute best from your athletes as well as working on administration and she brings a wealth of experience to the club this season. **Jamie** and **Daniela** have been working with Saor Consultancy this season to improve all of our systems. We're so excited to add these coaches and now have a staff of 15 at the gym!
