First Comp of the season!

21CC | Dec 6th | Gormanston

21CC takes place in Gormanston Co Meath on December 6th. This is our first competition of the season and we expect to do very well as our coaching staff Everth, Casey and Marin have been working very hard with the competitive athletes. Please be aware we expect at least one parent or supporter to attend competitions for each athlete. This is not something we have pushed for in the past, and it has meant an undue amount of pressure on coaches and official team parents during competition days. These are stressful and your child needs support, please ensure you arrange one person to come to support while your child is competing.

Our next event dates are listed here >

Choreo and Comp Fees

Choreography has now taken place and the cost will be added to your portal over the coming weeks.

Fees for the Inspire competition have been paid and will be added to your portal today. With 21CC fees due in Dec.

Apparel

Tshirts will be available in class for all athletes next week. For those wishing to purchase training kits, these will be available to order soon – Travel athletes will have these included in their travel payments.

Tracksuits are also available to order from next week and would be a nice Christmas present for athletes.

WELCOME COACH MARIN

Coach Marin joins us from California Allstars and brings a wealth of knowledge to support the cheer program this season. Say her name like Mah-rIN and make sure to say hello!

Fundraising

Our fundraising team lead by Dawn are busy again this season and have set up a wonderful fun event to fundraise for our travel athletes competition fees. The details for the Lip Sync Battle can be found on Instagram under the username [stuntworx_lipsyncbattle](#) and you can contact Dawn and the team there to get more information or to support the acts.

Well done to our very brave athletes who recently completed a mud run to raise funds!

The before and after are proof of the pain endured and the fun had by all!
